

How many ways can YOU use Camera 335 in YOUR classroom?

Connect Direct to a Data Projector and:

- Show students work to the class.
- Share reference books and photos.
- Show specimens and samples.
- Capture images to share with future classes.

Both Optical & Digital ZOOM!

USB Connect to your computer and:

- Save images for PowerPoints.
- Insert images into student reports.
- Share images on the Web.
- Use with Interactive White Board or AirSlates

Annotation Software included!

CAMERA 335 is a stylish visualizer, compact enough to fit in available desk area. The gooseneck design simplifies adjustments, and the independently adjustable fluorescent lamp swivels to avoid glare and shadow effects. Shooting area is 13.0' x 10.5" (max) for close range to 1.3"x 0.9" (min) but can focus on distant objects. A microscope adapter is optional.

ImagePro 8770 Portable LCD Projector is an ideal companion for CAMERA 335. Two XGA inputs allow the Camera 335 and your computer to BOTH be connected. Switch between computer and Camera 335 with the included wireless remote.

2000 lumens - XGA w/3 LCD Panels - FIVE YEAR WARRANTY - Multiple inputs - Monitor and Audio Pass Thru - Vertical Keystone +/- 30 degrees - Wide Angle lens
